

Pike Boehm Will Leave Post Here For Susanville

Popular Truckee Ranger To Accept Similar Job In Plumas

E. E. (Pike) Boehm, Truckee District ranger for the Tahoe National Forest Service, is making preparations to leave his post here on June 1st following his transfer to Susanville where he will occupy a similar position on the Lassen National Forest.

Boehm has been in charge of the Truckee District office for the past six years, having replaced H. I. Snider as local ranger when the latter was transferred to North Bloomfield prior to his recent retirement.

The local ranger has had 32 years with the Forest Service, having started as a fire guard near Susanville in 1922. He has earned an enviable reputation in his work as an efficient and thorough fire fighter as well as a capable manager for the service.

No reason for the transfer have been announced by the headquarters at Nevada City, but when questioned this week, Boehm said that he had been advised of the move but has not been officially notified.

Boehm has served on four forests in the state—Plumas, Shasta, Lassen and Tahoe.

Communism Discussed By Priest At Meeting

KINGS BEACH — The Rotary Club of Brockway enjoyed hearing Father Ronan Brennan of Truckee give an interesting talk on Communism at the luncheon meeting Monday night at Cal Vada Lodge.

The statistics presented to the members were such as to bring home to everyone the menace that the world faces; its effect upon Christianity and its ruthlessness.

Father Brennan was highly lauded for his absorbing comments and candid interpretation of communism.

Two Will Be Inducted At Meeting of OES Here

Two candidates will be inducted at a meeting of Truckee Chapter No. 116, Order of the Eastern Star, at the Masonic Hall Tuesday night. Memorial services also will be held and all members are urged to attend.

Worthy Matron Dorothy King and Worthy Patron Dan Anderson will preside at the meeting.

OPEN HOUSE FRIDAY AT LOCAL HOSPITAL

The public is invited to visit the Tahoe Forest Hospital anytime between 9 A. M. and 7 P. M. tomorrow when they will be escorted on a tour of the plant and shown its various facilities.

Administrator John J. McGlade said the "open house" has been arranged as an observance of National Hospital Week being observed in honor of the birthdate of Florence Nightingale between May 9th and 15th.

"We plan no elaborate observance but hope the people of the area can find time to drop in and look over our institution," McGlade said.

Three New Members Added to Lions Club

The initiation of three new members into the Lions Club spotlighted the meeting held at Donner Lake Lodge last night, with Frank W. Gaennick conducting the induction ceremony. New members are John J. McGlade, Jack Stewart and Glenn Lee all of Truckee.

A guest at the meeting was Roger Woodworth of Modesto. Charles R. Heller presided at the meeting.

Girl Scouts Study Out Door Cooking At Lake

Donner Troop No. 3 of Girl Scouts held their regular meeting Tuesday, May 11th at Donner Lake on the beach, where they cooked an outdoor meal under the supervision of Mrs. Oliver Scow, Jr., the leader of the troop, assisted by Mrs. Chester Marquis. Special emphasis was given to handling an outdoor fire along with collecting and identifying samples of tinder, kindling and fuel.

Nature study and Girl Scout laws for out of doors were included in the afternoon schedule.

Members attending were Lois Freeman, Sandra Van Sickle, MaryAnn Faulkner, Susie Scow, Lily Cushing, Karen Knoeffler, Elethia Marquis, Norma Porter, Arlene Copeland, Ruth Parkhurst, Judy Giovannoni and two new members, Ireda Harris and Barbara Ramsey.

Back from Capital—Mr. and Mrs. Gino Giovannoni of Sacramento have returned to Truckee and the former is now employed at Sarge's.

MITCHELL ASSAILS OPPONENT HERE IN ROTARY TALK

Speaking before a meeting of the Truckee Rotary Club here Monday night at Brown's Cafe, Donald A. Mitchell of West Sacramento, candidate for Third District member of the State Board of Equalization, assailed his opponents, particularly the incumbent board member, Paul R. Leake of Woodland and outlined his platform.

He charged that the board has been extravagant in its collection of taxes, unfair in handling various regulatory matters and particularly inadequate in liquor control matters. He has in mind, he told the audience, a plan to revamp the board's procedure to put it on a "business-like" basis. He enumerated a number of reforms which he said were of great importance to the state.

Mitchell went so far as to charge it is costing the taxpayers as much as \$10 to collect \$1 in taxes. Johnny Richards presided at the meeting and George Bettencourt was program chairman.

FRATES SELLS HIS HOTEL INTERESTS

Edward (Nuke) Frates, this week announced that he has sold his interest in the Donner Hotel to his partner John Rau. The latter will continue the operation of the hotel and Frates will devote full time to his work on the Nevada County road crew.

Frates and Rau purchased the hotel from G. Bolona two years ago. The building is owned by Pete Lazzari of Truckee.

WINNING PAINTING IS DISPLAYED HERE

The winning painting in the Northern District California Federated Women's Club's senior high school art contest, won by Ruth Osborn of Truckee, is now on display in Heller's Variety Store window.

ATHLETIC CLUB WILL MEET ON MONDAY

Daven Morey, president of the Truckee Athletic Club, Inc., will preside at a meeting to be held Monday evening, May 17th in the Truckee Elementary School at 7:30 P. M.

At the meeting a baseball schedule will be drawn up for the season and everyone interested is asked to attend.

TWO BABIES ARRIVE AT HOSPITAL HERE

Two babies arrived at the Tahoe Forest Hospital this week. The first, a boy, Steven Walter, weighing six pounds and 15 ounces, arrived for Mr. and Mrs. Walter Loomis of Norden.

The second boy, Juan, weighing six pounds and six ounces was born as a Mother's Day gift to Mr. and Mrs. Jose Cabrera of Truckee on Sunday, May 9th. Dr. George Hahn attended both mothers.

SNIDER BROTHER MOVE—Kenneth Snider who has been in northern Japan with the U. S. Air Force, has returned to Albany, Ga., for further duty. His brother, Howard, is stationed at Fort Sill, Okla., nearing completion of examinations which will lead to promotion in the army. After a leave he expects an overseas assignment.

Tahoe Pier Tax Hearing Slated For Friday Noon

State Official Will Discuss California's Rights Under Question

TAHOE CITY—Rufus Putman, executive secretary of the State Lands Commission is scheduled to attend a special meeting of the Lake Tahoe Chamber of Commerce at Cal Vada Lodge at Crystal Bay on Friday, May 14th. The meeting will follow a plate lunch.

The chamber had asked the lands commission to send a representative for a special meeting to clarify the rights of California to jurisdiction over lands beneath the waters of Lake Tahoe and require permits for pipe lines, piers and other such structures extending onto the state lands and charge yearly fees in varied amounts.

Anyone intending to attend the luncheon should notify Cal Vada Lodge, or the chamber office at Tahoe City. Interested parties are invited to sit in on the business session after the lunch.

Move Taken To Prevent Boats From Operating In Tahoe Swim Area

LAKE TAHOE—The Toiyabe Forest Service moved this week to prevent boats from sailing close to shore on a 2500-foot strip of Lake Tahoe beach.

The forest service sought the restriction from the Army Corps of Engineers in Sacramento, which has jurisdiction over the lake.

The restricted area, proposed as a safety measure for swimmers, would bar motorboats and sail boats from coming within 300 yards of beach between Stateline and Zephyr Point.

Several other restricted areas have been set up on Lake Tahoe since 1949 when young Imogene Wittsche of Roseville suffered the loss of both legs when a boat ran her down while she was swimming.

The Army Engineers set May 18 as the last date to hear protests over the proposed restricted area.

AMATEUR SHOW IS PTA MEET FEATURE

An appreciative audience of parents and friends enjoyed the amateur show given in the Truckee Elementary school before the business meeting of the Parents and Teachers Association.

The children taking part in the program Monday evening were Diane Cardinal, Billy Baysinger, Gary Costa, Judy and Janice Stewart, Dorette and Pamela Rose, Kathleen York, Karen Pitts, Stephanie and Vicki Firpo, Karen Smart, Sammy Medford, Kathleen and Wilana Curran.

Mrs. Gilbert Kumble presided at the meeting and the second grade taught by Mrs. Ed Trask won the attendance award. It was decided to give 6th grade pupils a party on June 4th when they will attend the Donner Theater and will be served refreshments afterward.

The committee for refreshments following Monday's meeting comprised Mesdames D. McGilhon, Gilbert Kumble, Oliver Scow, William Englehart, Jr. The PTA will hold the next meeting in September after school convenes.

Sisters Are Injured In Floriston Accident

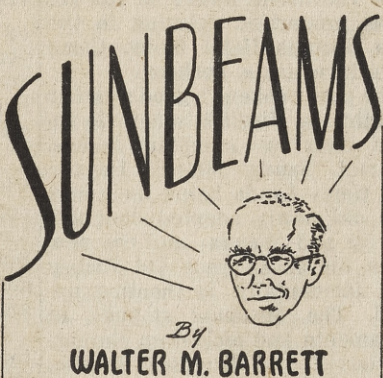

Two sisters, Miss Mae Cheshire and Mrs. Flossie Miller, of Gridley were painfully injured when their car went out of control near Floriston Friday and overturned. They were taken to a Reno hospital and made their report to the Nevada Highway Patrol.

Neither woman was seriously hurt.

At Federation Meet

Mrs. Gladys Pedley is representing the Wyethia Club at the California State Federation of Women's Clubs in Fresno this week.

As Northern California District safety chairman, Mrs. Pedley will work on the safety resolution to be voted upon there in convention.

WALTER M. BARRETT

The pending transfer of Pike Boehm as ranger for the Tahoe National Forest's Truckee District will be deeply regretted by his scores of friends throughout the district. Not only has Pike conducted the affairs of his office, so far as the public is concerned, with complete and able thoroughness, but he has made many friends in all walks of life with his pleasing manner and understanding method of conduct.

While no successor has been announced for the local post, the people of this district are hopeful that the assistant ranger, Nelson Stone, also a hard-working and capable official, may be chosen for the office which, especially in this area, is of such vital importance.

This newspaper rarely editorially endorses a candidate for a local office, but we believe that one fact should be kept in mind by voters of the eastern end of the county and that is that only one person is seeking a county office from our area. That man is the incumbent coroner, Alvah Hooper. While the office of coroner may not come into the public attention as often as others, it nonetheless is a vital one and we believe that a Truckee resident is entitled to local support.

Liquor Control Talk Scheduled As Leake To Address Rotarians

Announcement was made today that the annual tri-city meeting of Rotary Clubs from Truckee, Grass Valley and Nevada City is to be held at Donner Summit Lodge on Monday, May 24th at 8 P. M. The Truckee Club will be host on the occasion.

Paul R. Leake, member of the State Board of Equalization, representing the Third District, and a candidate for election at the primary election June 8th, has accepted an invitation to speak at the meeting, James Sherritt, program chairman, announced.

Leake will discuss the liquor control setup in the board, a subject which has created considerable controversy since Leake opened a campaign to clean up unsavory practices in handling liquor matters.

Lake Tahoe Forecast Is Revised Down Slightly

RENO — The Truckee Basin Water Committee revised downward its forecast for the maximum Lake Tahoe elevation because of below normal April precipitation and warm weather.

However, the revision is only .2 of a foot—from 6228.9 to 6228.7. The committee pointed out this had caused no change in its forecast of adequate water to meet irrigation, power and domestic needs of the Truckee-Tahoe watershed.

Fair Weather

TAHOE CITY—With the exception of a trace of rain on May 3rd, Tahoe has been without precipitation during this month, the report from Art Frodenberg, cooperative observer at the lake, shows.

The temperature dropped a cool 30 degrees Monday morning but for the most part it has been mild and a bit warmer than normal, the thermometer reaching 72 last Friday.

The lake level stood at 6228.33 Monday morning with one gate open.

Weekend Guests

Mr. and Mrs. Robert Leamon had as their weekend guests Mr. and Mrs. James Leamon and son of Grizzly Island, Mr. and Mrs. Charles Walker and Howard Leamon of Sacramento and R. Haney of Oakland.

Club Gatherings

Mrs. Lloyd Everett was hostess to members of her card club on Tuesday evening, serving refreshments after the games.

Boost In Travel Noted In Report For Last Month

April Traffic Exceeds Last Year as Truckee In 3rd Place

Travel into northern California by way of Truckee took a resounding jump during April as compared to March and even went ahead of the same month last year by more than 1000 cars, the monthly report from the state department of agriculture shows.

The report shows that there were 27,570 cars, 2,838 commercial vehicles and 531 buses checked by the local quarantine station during April with a passenger total of 95,871.

This compares to 26,510 cars during April, 1953 and 17,393 during March of this year.

As a result of the increase, Truckee jumped into third place as a port of entry into the state, exceeded only by Yermo and Blythe, and the latter southern California port was only 119 cars ahead of Truckee.

At Meyers on Highway 50, the traffic count showed 7,434 cars, 286 trucks and two buses. There, too, a gain was shown over April of 1953, the report indicates.

Judge Jones Here To Visit Place of Birth On His 81st Birthday

Observing his 81st birthday anniversary on Tuesday, May 12th, Judge and Mrs. George L. Jones of Nevada City, visited the house where he was born on the hill above the business section of Truckee.

Judge Jones met local friends and was seeking data from the files of the Truckee Republican to substantiate the record of his birth in the early days of Truckee when his father was a prominent surgeon. Miss Nancy Jones, their daughter, who won world-wide recognition for her work with the Red Cross in World War II and in Korea, will return home by steamer from Japan and is scheduled to dock in San Francisco early next month.

Former Truckee Man Will Wed At Pomona

Mr. and Mrs. G. E. Lewis have received the announcement of the marriage of Mrs. Velma Alm and Donald Plouff which will take place May 14th in the Pilgrim Congregational Church at Pomona. Plouff will be remembered here where he was employed for some time by the Donner Trail Lumber Company.

County Will File On All Unclaimed Water

The board of supervisors last week approved a resolution directing the district attorney to file on all available water in the name of the county.

Supervisors were of the opinion that if they failed to file, they would lose the water; and declared that every means of retaining use of the valuable resource should be used. Similar action was recently taken by the city governments of Grass Valley and Nevada City in filing on unclaimed water for future use.

Allan Pollack, former manager at Donner Lake Lodge, is reported in Spain where he is interested in installing a television station.

Board Budgets For New Fire Truck; No Increase In Tax Rate

Provision for enlarging the local fire house and installation of a new truck to supplement the present equipment has been made in the proposed budget for the Truckee Fire District.

The sum of \$4,120 has been set up by the commissioners for capital outlay. This amount, R. N. Little, secretary of the commission, said, will be used as payments on the proposed improvements, a similar amount being budgeted each year for a period of perhaps five years to meet future payments on both the equipment and fire station.

The commissioners tentatively set the budget for the ensuing year at \$8,000, allowing \$3,880 for maintenance and operation.

It is estimated that the tax rate to meet this proposed expenditure will be approximately the same as this year's rate of 39 cents.

A public hearing on the budget, at which time any interested taxpayer may appear and make suggestions, will be held at the office of R. N. Little on June 22nd at 10 o'clock A. M.

LARGE ATTENDANCE ANTICIPATED AT 20-30 SHOW HERE

The 20-30 Club is anticipating a large attendance at the two nights show of May-Ham in the Studio to be given in Veterans' Memorial Hall on Friday and Saturday evenings, May 14 and 15.

The three-act comedy is wholly home talent, both in production and acting. Those taking part are giving their efforts and time for the club's rheumatic fever fund.

Adult tickets went on sale the first of the week and it was announced that children's tickets will be available at half price at the door of the hall on both nights.

SCHOOL TEACHER IS RANSOME WINNER

Despite the rather inclement weather a large number of nearby residents Saturday called at the Ransome Company plant to attend the get-acquainted open house program arranged by Manager Joe Silveria and his staff.

Miss Betty Jo Hamblin of the Tahoe-Truckee high school faculty, won the \$276 gas range and I. G. Parr of Kings Beach, the \$115 gas water heater given as prizes at the open house. Punch was served to all the visitors and ice cream cones were given the children.

Four Gambling Permits For Tahoe Are Granted

CARSON CITY—The Nevada Tax Commission approved state gambling licenses for four Lake Tahoe casinos which plan to operate this summer.

They are the Circus Room at Cal-Neva, Charles Johnston; North Shore Club at Cal-Neva, C. C. Harris, James A. Hume, George Zouganis and Gerald F. Cooper; Tahoe Colonial Club, Stateline, Bill Bozes, Raymond D. Creighan, Don James Parker, H. G. Spencer and Alicemary O'Connell, and Tony's Club, Stateline, Tony Grech.

Howard Brooks of Las Vegas and Miami was denied a license for Sky Harbor Resort at the north end of the lake.

Complaint Filed

Albert Wiltons, 45, who has been representing a Reno photographic studio, is being held under \$100 bail here charged with defrauding an inn keeper, Mrs. Laura Patton. The suspect was arrested at Loyalt Tuesday by Constable N. F. Dolley and Deputy Sheriff Roy Waters and bail was set by Judge Fosten Wilson.

McCarran Rushes Legislation For Washoe Project

Sierra Pacific Buys Land To Install New Unit Near Verdi

RENO—Sen. Pat McCarran announced he would introduce legislation this week authorizing construction of a \$42,230,000 Washoe reclamation and flood control project on the Truckee and Carson River systems.

His decision was revealed after a conference in his office attended by six top-level reclamation bureau and army engineer officials who, McCarran said, agreed to "cooperate fully to get the job done right."

The Nevada Democrat declared that the entire project must be approached in two phases because of legislative machinery requirements involved in two federal agencies concerned: the reclamation bureau as to the reclamation and power development, and the army engineers as to the flood control.

He said short-cut methods would be tried in an effort to get the bill passed by congress before adjournment around the middle of this summer, since the army engineers' omnibus rivers and harbors bill is considered by congress only once every three years.

It is expected to be reported for house vote shortly, but the action cannot be initiated there, McCarran added.

"Instead I am hopeful that the senate public works committee can add the Washoe project when it considers the house-approved omnibus bill within the next few months. This is our only chance of getting this authorization for at least three years," he said.

McCarran classed the second phase of the project as "implementing legislation to protect our own Nevada interests." He declared that early next year he would sponsor another bill providing the following:

The 160-acre limitation required by reclamation law would not be applicable to supplemental irrigation.

Provision to protect fishing to provide compensating flows of water where project damages existing fisheries or wildlife resources.

Authorizing that project work shall revert to water users or to an appointed agent when the repayable part of the project is paid off.

This project is being opposed by the Nevada County Board of Supervisors, the Truckee Chamber of Commerce, the Truckee Public Utility District and other local agencies on the basis that it will deprive the region of a great water way on the lower portion of the Truckee River which is a potential source for local power development.

In the meantime, the Sierra Pacific Power Company has purchased land in the vicinity of Verdi for the hoped-for Washoe Project Power plant to replace Fleisch and Farad, which would be eliminated under the proposed project.

Sparks Rotarians Seek Bell at Lake Tahoe Meet

Six Sparks Rotary Club members attended the Tahoe City Rotary meeting Tuesday evening, held at Tahoe Inn, on the advice that they might have their bell returned, now missing for more than a month.

Bill Connors, president elect, produced the bell, declaring he had received it from an unnamed person with a replica made by Steve Korich. Leslie Oppeo, president of the Sparks club, said that his members will donate blood for Robert Wray, a patient in a Reno hospital.

Howard Guth presided at the meeting and a film of tuna fishing and canning was shown by Denis Sach, program chairman.

HAS NEW GMC

Mr. and Mrs. Otto Frederick of Norden have just taken delivery of a new Suburban GMC from Osborn's Buick Garage.

ORDER IN FAMILY

Mr. and Mrs. Richard Box of Burney visited briefly last week en route to the bay area. Mrs. Box, a member of the Truckee Pythian Sisters, said her new parents in law, Mr. and Mrs. Wilbur Box of Cottonwood, Idaho, are both active as officers in the Knights of Pythias and Pythian Sisters.

DRIVING JUDGES

Captain Earl Personius of Placerville and Sergeant Ed Freeman of Truckee were two of the five judges named to select drivers at the Reno High School's test Wednesday.

MOVE TO OROVILLE

Mr. and Mrs. Harvey Hocker and daughter, Marlene left for Oroville where the former will be employed in the recently completed new Rose Brothers Market. Before leaving, the Hockers sold their new home at Gateway Park to Mrs. Esther Young.

months. Not all are as fortunate
nor as intrepid as Roy Thompson,
superintendent of the North Fork
Association and the Cedars area,
for Roy keeps a constant check on
his job with an M7 snowglobe, and
when he didn't have that, his
skiing stood him in good stead.
Roy usually sees the first wild
flower of the season, the first bear
emerging from winter hibernation
and the first green grass. He hears
the rushing waters of the head of
the American River as it breaks
its icy winter barrier and goes
rushing toward the valley. He may

leave the snow banks that surround
his home on 40 to find his gateway
to the Cedars home surrounded by
greenery—in a distance of but 10
miles. Last week, Roy "taxied" the
Chickering girls into their histori-
cal original Soda Springs man-
sion and original Mark Hopkins
Hotel, situated for a century on
the old emigrant trail that runs
through the Cedars country. "Ev-
erything ship shape out there," re-
ported the girls as they checked
in before leaving for their bay
area home.

However, everything wasn't ship
shape at the Ice Lakes paradise as
the M7 tractor lost its way home.
Sometime during the winter, the
Hoover home burned to the ground.
Skiing vandals or faulty wiring
is a good guess right now. We see
Fred Thorinson, owner of the Ice
Lakes properties, relaxing in the
Soda Springs Hotel lobby. Came
up to investigate, perhaps.

The past weekend's good weather
brought the Virgil Miseners to in-
spect their two mountain homes.
We met "Sandy" Misener for the
first time—Sandy being the seven
year old newly adopted daughter
of Virg and Wanda—and the new
sister for seven year old Riecky
who, incidentally, is shooting up-
ward. The Miseners stopped in
Sacramento and picked up Marg-
aret Merrill and laughter, Denise,
to bring them back to the moun-
tains that they all mutually love.
Everyone fine, they report, includ-
ing Bud and Betty Horak and
family. You'll remember that Bud
and Virg went into partnership last
year when they purchased a huge
super service station in San Bruno.

More evidence of spring: Elmo
and Jean Moriano take off for a
triple celebration. 1. Their anniver-
sary; 2. Big party at the Senior
Moriano's Tee-Off in San Fran-
cisco as they celebrate an anniver-
sary; 3. Confirmation of Moriano's
nephew.

Charlie Secco of the Soda Springs
Crest Lodge looks up, lock, stock
and barrel and take a month off
with his family in Daly City.

John Carl gets restless in his
bed at the Tahoe Forest Hospital
and improves to the extent that
he should be back at his mountain
top soon.

Jack Woodard gave his closing
party so he could get to his spring
cleaning and traveling. His Donner
Ski Ranch theme this event was
a western one—complete with the
straw and hay decorations. Guests
by the score fell in with the theme
and straw hats, cowboy boots, calf
skin jackets, jeans and western
earb blended in the ranch theme.
Naturally the food was strictly
"chuck wagon."

The Chaplins of Soda Springs go
west to pick up their trailer house
which will be parked at Tahoe for
their spring and summer lazing—
close to home and yet away from
it all. Incidentally, we sadly re-
port that Cholly, their dog dis-
appeared on Easter weekend. Every
one knows Cholly—all six pounds
of her tiny black poodleness, and
all six pounds of her wiggling af-
fection. The Chaplins offer a large
reward for her return and any in-
formation as to her whereabouts
will be tremendously appreciated.

Goldie Rowton returned from
Quincy with two small grandsons
whom she will care for while daugh-
ter Marie goes bayward for a
physical checkup.

The quietness and non operating
tows on the Soda Springs hill must
mean that the Milton Hogles have
moved back to their Rainbow dis-
trict home for the summer; must
mean that Carl Buck and his ski-

NORTH TAHOE

By JUDGE HARRY CHARRISON

Rex John Whitaker, now of Las Vegas, was arrested on a warrant last Sunday morning and taken before Judge Harry Charrison. A traffic citation was issued against Whitaker last October while he was living at Homewood, but he

failed to appear. Upon returning to Homewood for a few hours, he was picked up and fined \$20 each on two counts and \$25 for failure to appear. This is a warning to those that have no intention of answering citations, the judge said.

Yes, it will be a big night at Cal Vada Lodge Saturday when members of the North Donner Zone of Lions Clubs, under the leadership of Zone Chairman Porter, will

hold a dinner and dance. Of course that means that each Lion will have his lady with him, we hope. Secretary Lee Madden informs me there will be fishing all day Sunday for the fishermen with Ernie Crawford in charge. There will be golfing for the golfers with Cloyd Sipes in charge and prizes are offered in both cases. Joby Lewis as usual is doing his stuff and will have a first class orchestra on hand.

This area has been very busy for a long time, there being no less than 50 telephone company line-men busy as bees getting the dial system ready for operation by the 27th of this month. To say that those on the Brockway lines are excited and proud is putting it mildly and the genial and hands-on manager Howard Newsham of Pacific Tel and Tel is just as proud of the progress as we are. The whole operation has gone smoothly and there has been no inconvenience whatever. Good work, Howard, and the boys.

Ella Blake and her son, Lloyd, were up for a couple of days last week just to make sure the house was still in the same place on the golf course. They will be up for the summer very soon.

We saw our old friend, Max Burroughs a few days ago and he tells me Thelma had to stay with her mother and sister both of whom are to undergo surgery. It will be a little while before she can come back to stay. Max tells me any time now he will start building a new home on the lake front, right opposite his old stand at the Burroughs at Tahoe Vista, which the Gerry Potts are operating. Gerry says he's already to go.

I saw Gilmore Johnson of Gils Barbecue, Kings Beach, taking down the shutters as though he intends to do some business very soon.

Was so surprised and delighted to see Florence Miles and son David up here for a visit. They are the mother and brother of Casey Althof. It is wonderful to see someone that had spent so long among us. Florence and her husband, Mulford, who passed away a year ago, were exceptionally active in and around our community.

Talking to Mr. and Mrs. L. A. Wickland of Manzanita Lodge at Carnelian Bay last Sunday and after getting acquainted, they tell me they have sold their lodge and will soon be returning to Pasadena. Sorry to see them go.

Well after an exciting trip from England by plane, Mrs. Wheeler, mother of Mrs. Lausche of Kings Beach arrived at the Reno airport Wednesday at noon, quite some hours late, after being grounded at New Foundland for eight hours.

Asked about the trip over, she remarked that she was filled with "butterflies" all the way but that she intends to fly back. She's cute and has a cute little Yorkshire brogue, too.

Summer is here for sure now. Ruth Lavery's Kings Beach Laundry mat is open every day.

One of the most well known young men of our community by the name of Ray Sorensen, son of Andy and Alice Sorensen, has been called into the service and will leave San Francisco Sunday for Pensacola, Florida, where he will enter the Naval Air Corps. One of his first duties, according to the Miedemas will be to visit their son Bill who is presently serving with the navy at Pensacola. All of Ray's friends wish him the best of luck in his new venture.

I think the only word about Mother's Day at the Wee Kirk o' the Pines, Kings Beach, that described it best is that it was an "amazing" day. With the morning service at its best and the congregation the biggest ever, the church was just about full to the rafters with no less than 27 new faces. The choir was augmented by the appearance of Dianna Abbott and Mrs. Margaret Ward. Mrs. Ruth Mizner is unsurpassed at the organ. From 5 to 8 P.M., a delicious steak dinner was served to 202 persons in the auditorium. After this repeat an evening service was held at 8 P.M. At this time Mrs. Ed Lausche was presented to the congregation by Rev. A. B. Covher and while Rev. Covher sang The Unveiled Christ, the unveiling of the altar mural took place with Mrs. Lausche, the designer and painter of this masterpiece doing the honors.

George and Martha Mortensen have arrived back from their winter home in Pasadena. George was a little under the weather during those smoggy winter months but now he is back and beginning to feel good.

Byron Abbott had a touch of the flu last week.

Had a few people in with citations for fishing in the Truckee river. Don't fish that ole river till the end of the month. Remember there are lots of fish in the lake. All you have to do is catch them.

Lee Madden is now with Robert F. Stevenson at the Richfield station at the bottom of Brockway hill. Bob purchased the station a short while ago.

Dewey and Margaret Ward are back at their resort, Dew-Mar on the highway opposite the Brockway Theater. Glad to have them back.

Dave Ashton has lots of tickets already for the coming dinner to be held at Cal Vada Lodge on June 5th for the benefit of the building

Tahoe-Truckee School District News

Truckee Elementary
KINDERGARTEN: Members of the class each made a Mother's Day card and a May basket last week. Several children brought flowers to fill the baskets.

On Thursday we went for a walk to pick dandelions.

FIRST GRADE: The children in our class made Mother's Day cards and took their flowers home Friday. We learned how to weave paper mats in art class.

SECOND GRADE: On Friday we had a birthday party for Dick Ingalls and Robby Kaspian. Mesdames Leisure, Ingalls and Donaghey served refreshments consisting of a beautifully decorated cake and chocolate milk.

We went walking to see how many signs of spring we could see.

FOURTH GRADE: Hawaii has invaded our room. Don Breakfield brought a large colored map of the Islands. Charles Berger and David Ayala gave interesting reports and Jim Osburn showed pictures and materials that a friends brought from Hawaii. Other children had hula skirts, lies, a carved coconut,

fund of the Week Kirk o' the Pines. Don't leave it till the last minute. See Dave now.

The Lake Tahoe Lions Club will meet at the North Tahoe Gun Club at Tahoe Vista on Tuesday, May 18th at 8 o'clock P. M. There will be a regular meeting and election of officers. President Mel Throop urges a big attendance.

It was with deep regret that we heard of the passing of C. B. Wallace, a resident of Crystal Bay for many years. My wife and I were very sorry as we valued his friendship. He was of a kindly nature and will be greatly missed and we offer our sympathy to his family.

SECOND, THIRD AND FOURTH GRADES: Donna Wright has returned to our room. We now have 26 students.

Chipper Marvin found a snake skin on the playground. The class wanted to know more about snakes and now we are studying them.

FOURTH, FIFTH AND SIXTH GRADES: Among those taking part in the music festival last week were Paul Quartly, Park Bechdolt, Steven Randall, Billy Connors, choral readers; Sherry Thatcher, pianist; and Sherry Briner, Diane Speeter, Doug Ball, John Gorham, Bill Verner, Jerie Grinstead and Joe Sheehan, vocalists.

We welcomed another fourth grader, Roy Edmark, back to our room last week. Roy spent the winter in Oakland.

Our final school assembly for the year will be May 21st. All parents are invited to attend the program.

The entire class attended the birthday party yesterday afternoon for Chris Poulsen.

Kings Beach School
KINDERGARTEN AND FIRST GRADE: Carl Christiansen, who will be in kindergarten next year, came to visit our class.

Tuesday was Linda Bonney's birthday and we celebrated at school with a party given by her mother. Cup cakes, ice cream and suckers were enjoyed by all.

SECOND AND THIRD GRADES: Tuesday, during our writing period we saw a film on how to improve our handwriting.

Pat Dacus brought an Indian headdress to our room and we have it on our Indian exhibit table.

Mrs. Ruth McPherson, King's mother, visited our room Tuesday.

We did it again! Yes, we won the thrift banner again this week.

FOURTH, FIFTH AND SIXTH GRADES: Our new students for the week are Patrick and Dennis Cal-

Application Denied

They are from San Jose. Tim Scofield returned to his home in Reno.

We have finished our unit about Australia. Our next work will be the neighboring country of New Zealand.

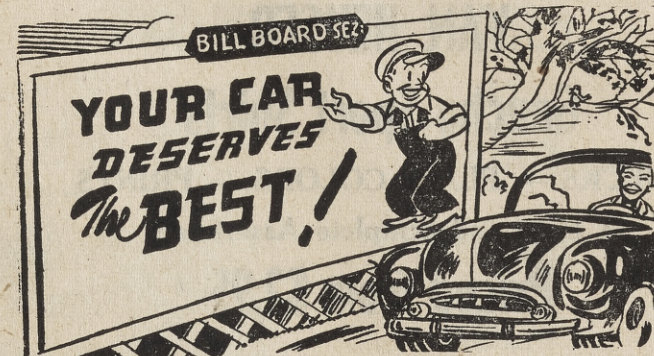

The arithmetic groups are moving along nicely in their work. For our part in the music festival we performed four folk dances.

Donner Trail School

Because of the nice weather this week we worked out side as much as possible. We cleaned the school ground and built a large drain for the west end of the school.

CARSON CITY— Nevada's Public Service Commission has denied an application submitted by Verl W. Draney of Crystal Bay, to operate an ambulance and limousine service between Reno and other points in the state. The application was protested by the Virginia-Truckee Transit Co., the Yellow and Deluxe Taxicab Companies and the Nevada Scenic Tours, Inc.

The denial had no effect upon the applicant's presently certificated operation at Crystal Bay.

Who gets the money Standard takes in?

Goods and services—from paper clips to professional services—cost us \$324,743,000. It was spent with thousands of firms, large and small.

Crude oil was a big item. To supplement our own production we bought \$135,600,000 worth—an important sum to crude oil producers.

Wear and tear, depreciation and upkeep cost \$157,834,000. Part of it will replace worn-out facilities, but millions went to workmen, technicians.

New construction, such as refinery facilities, to make more and better products, cost \$145,000,000. This helped meet builders' payrolls.

Exploration to replace oil our customers use is a vital operation. Our stepped-up search for new oil reserves cost \$79,000,000 in 1953.

Employees' wages for time worked took \$163,947,000 of our income. Another \$43,000,000 went for employee benefits for Standard Oilers.

Taxes paid by Standard to U. S., states, counties and cities amounted to \$106,300,000—enough to buy plenty of fire trucks, schools, bridges.

112,000 shareholders' profits came from what was left. They received about 5 1/2¢ on each dollar's worth of stock. Total: \$86,020,000.

Your picture belongs here, too. Because most of the \$1,156,757,000 Standard Oil Company of California took in last year ended up with you—the public. Whether one of the hundreds of millions of dollars worth of checks Standard wrote last year was sent to you, or spent with you, or helped make possible better gasoline and oil for your car, you and practically everyone else in the West benefited. Thousands of merchants and professional people in hundreds of towns profited from the pay checks Standard Oilers spent. Our tax payments helped finance schools for your children, parks for vacationers, and bridges for motorists. Carpenters, steelmen, lumberjacks benefited from the facilities we built and the maintenance work we did. It all fits together: 1953 was a good year for Standard because so many of you thought our products well made and worth buying. And by making it a good year for us, you made it a good year for many others.

**A Hydra-Matic GMC
pays you back
6 ways**

SURE, GMC's Truck Hydra-Matic
Drive costs extra on some light-
duty models. But man—how it pays
you back!

You save gasoline—because GMC
Hydra-Matic cuts the high consump-
tion of fuel in stop-go use.

You save tires—because GMC Hydra-
Matic's velvet-smooth getaways
prolong tire life—by as much as three
times in some operations.

You save maintenance—because
GMC Hydra-Matic ends all clutch
costs—prevents shock-loading
damage.

You save time—because at every start,
GMC Hydra-Matic ends shifting
lags, gets up to road speed quicker.

You save yourself—because GMC
Hydra-Matic frees you of all clutch-
ing and shifting chores. And being
fresher, more alert, you're quicker
to avoid hazards that could be costly.

You save at trade-in time—because
a Hydra-Matic GMC will rate a
higher price than old-type hand-
shifted trucks.

Are you a shrewd buyer? Then drop
in at our showroom. We'll prove
that a Hydra-Matic GMC is your
best truck investment.

Seniority

CONGRESSMAN CLAIR ENGLE,
candidate for re-election in the
June 8 primary, is the senior Demo-
cratic member of the important
committee on Interior and Insular
affairs which handles legislation
dealing with water development,
lumbering, mining and other mat-
ter. As a result of his years of ser-
vice of vital importance to his
district, Congressman Engle is the
only member of the entire Cali-
fornia Congressional delegation to
be next in line for the chairman-
ship of a major committee. His
seniority is a real asset to the Se-
cond Congressional District and be-
comes more valuable each year.

**BUSY SCHEDULE
OUTLINED FOR
WOMEN'S GROUP**

TAHOE CITY— The Women's
Club of Tahoe held a delightful
meeting at the home of Mrs. Albert
Snyder last Thursday. It was a pot-
luck luncheon and more than 25
attended and enjoyed the beautiful
view from the Snyder's front porch.

The annual nomination of offi-
cers was held and those nominated
for the year beginning June 1st
were Alma Guth, president; Irene
LePire, vice president; Florence
Vernon, corresponding secretary;
Edna Obexer, recording secretary;
Anna Dugdale, treasurer.

The next meeting will be held
May 20th at Bacci's Inn and all
members and their guests are as-
ked to be present.

On June 3rd, the annual spring
luncheon will be held at Tahoe
Inn. This luncheon honors the out-
going and in-coming officers. In-
vitations will be sent to the Wyeth-
ia Club and the North Tahoe Wo-
men's Club and reservations must
be made in advance.

Warren Porter's store at Tahoe

City will stage a fashion show and
Martha Snyder is chairman of the
arrangements committee. The date
of July 24th, has been set for the
annual bazaar to be held at the
Community Center, with a food
sale to be held in conjunction. The
women have been working hard all
winter and many beautiful articles
are to be sold.

Yesterday a group of the mem-
bers was scheduled to meet at the
post office for a "highway cleanup
day." They organized in crews and
of two and three cars, covering
each side of the highway between
Tahoe City and Tahoma and from
Squaw Valley entrance to Carnel-
ian Bay, gathering up trash along
the highway in a splendid program.

TAHOE NEWS

Dr. Barton J. Powell of Grass Valley and a home owner at Incline, Lake Tahoe, died at Grass Valley last Thursday.

Mr. and Mrs. J. Otis Hursey wrote from Fallon to say that they are getting along well. Their two sons, Roger and Robert are both in the armed forces, presently stationed in Arizona and Texas. Both boys attended school here and Hursey worked for several years for Henry Kaiser at Tahoe.

Mr. and Mrs. A. J. Rodrigues are up from Auburn to spend the summer at Tahoe City.

Mr. and Mrs. William Hunter have been here for the past two weeks, having arrived from Lodi.

Card of Thanks

My sincere appreciation for the many encouraging thoughts and gifts during my recent illness.

From where I sit... by Joe Marsh

The "Write" Prescription

Noticed three half-finished letters lying on the counter down at Jones' Drug Store last week. "Writing three at once, Doc?" I asked.

"No," Doc said, "you are—you and the rest of the town. Those are for the boys from our town who are at the National Guard encampment."

"Everyone who comes in adds a line or two, and when a couple of pages are filled, I mail them. That way the boys hear from folks who might not write otherwise. They sure do enjoy it."

From where I sit, little things can add up pretty big. A few short notes make a letter. Boys from our little town help build up a strong National Guard to protect our freedom. Even freedom is made up of a lot of things—living where we like, voting the way we think is right, choosing between coffee, tea, or beer at dinner. And anything that adds up to freedom gets my stamp of approval.

Tarzan

by EDGAR RICE BURROUGHS

THE APE-MAN STOOD CAPTIVE BEFORE A VENGEFUL SLUG STRIPER. "A TORTUROUS DEATH FOR YOU, MY FRIEND," HE HISSED.

SUDDENLY TARZAN'S SHARP EARS DETECTED GOYAT CRAWLING ON THE ROOF ABOVE. HE CALLED OUT ORDERS IN DISGUISED, GUTTURAL TONES.

GOYAT OBEYED. HE CROPT TO THE HOLE THROUGH WHICH THE HUT WAS ILLUMINATED AND COVERED IT WITH HIS MASSIVE BODY--

AND THE ROOM WAS INSTANTLY PLUNGED INTO DARKNESS! THE NATIVES GASPED FOR THEY BELIEVED THAT TARZAN HAD WORKED SOME EVIL MAGIC.

NOW THE APE-MAN PRESSED HIS ADVANTAGE. HE MOVED IN THE DARK WITH THE STEALTH OF A BLACK LEOPARD--

AND SPRANG TO THE FRAMEWORK OF THE HUT. BUT AS HE SCALED THE RAFTERS, SLUG STRIPER'S GUN SPAT OUT IN DEFIANCE-- BULLETS SCREAMED, GRAZING HIS SHADOWY FORM!
